

BSB51918

Diploma of Leadership and Management

Influence, inspire and educate your team!

With the latest theories and practical approaches, this qualification allows students to explore the critical capabilities that make an effective manager. Students will plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse and synthesise information from a variety of sources.

This qualification covers a holistic approach to the role of the management discipline within industry, business and society, and promotes the ability to identify factors that impact most on success.
