

Limited spaces available

Enrol your clients in Employability Skills Training (EST) Block 2 now!

Your clients will feel supported as they become job ready with a friendly, focussed and result-driven trainer.

The block 2 course gets participants job ready and exposes them to local employers who are currently recruiting people for positions they have available.

Training is fun, interactive and involves; building rapport to create a positive response in the workplace, critical thinking, problem solving, communication skills, working in teams, self-marketing and self-awareness.

The block 2 course provide a suite of accredited units of competency from one of the following four distinct industry areas:

Construction:	CPC20211 - Certificate II in Construction Pathways
Aged Care Disability:	CHC33015 - Certificate III in Individual Support
Business Retail:	BSB30115 - Certificate III in Business
Hospitality:	SIT30616 - Certificate III in Hospitality

A statement of attainment will be issued upon successful completion of the course

Please make bookings through the ESS system or contact your local Novaskill office for more information.
